If, during a *stipulated round*, a player uses a distance-measuring device that is designed to gauge or measure other conditions that might affect his/her play (e.g., gradient, wind speed, temperature, etc.), the player is in breach of Rule 14-3, for which the **penalty is disqualification**, regardless of whether any such additional function is actually used.
- **OTHER ELECTRONIC DEVICES:** The use of electronic communication devices such as a cellular phone, Blackberry, iPhone, etc. is prohibited during a stipulated round, except in emergency situations. **Violation will result in disqualification.** Clarifications and special requests regarding this condition must be directed to the Senior Rules Official for the tournament.
